

CELEBRATE THE BEST OF HUMANITY

The MY HERO Project
TEACHER'S GUIDE

EDUCATE - INSPIRE - ENGAGE - EMPOWER

www.myhero.com

"There is a great and perhaps decisive battle to be fought against ignorance, intolerance, and indifference in the world." - Edward R. Murrow

The MY HERO Project's mission is to use media, art and technology to celebrate the best of humanity, one story at a time.

Dear Educator,

I write to you as a fellow teacher, an activist, and a Global Ambassador for The MY HERO Project. I write to you about the power of education and the opportunity for inspiration at your fingertips. My own education has enabled me to rebuild my life, after having lost everything in a conflict that enshrouded my home country of Sierra Leone. Now I help bring MY HERO's tools and technologies to teachers worldwide.

Education helps us to work towards creating a more just world. As modern life rapidly changes, the fundamental values of our educational system must be taught in innovative ways. Our challenge as teachers and as concerned citizens is to leverage the power of technology to ensure the robust intellectual and moral development of our youth. This new Educator Guide will give you an in-depth look at some of the features available on The MY HERO Project website so you can more easily integrate these interdisciplinary, skill and character building resources into your own classroom.

The MY HERO Project helps bring classrooms advanced technology and media arts education that aligns with the core values that we hold dear--peace, tolerance, courage, and justice. Myhero.com hosts free educational resources and a child-friendly digital library that enable individuals of all ages to create, share and discover inspirational stories, art, audio, and short films with a global learning community that spans 197 countries. The MY HERO Teacher's Room (myhero.com/teachersroom) provides standards-aligned, project-based lesson plans and tools to customize and present curated content, including your students' own work. MY HERO makes positive media accessible and interactive, facilitating Learning Circles with classrooms across the world. Through participating, students build skills in critical thinking, project management, research, communication, new media literacy and more.

Welcome to The MY HERO Project - I hope it will challenge you and your students to see the world differently, as it has done for me.

Regards,

Mohamed Sidibay
