Educators QuickStart Guide
Heroes in the Classroom

MY HERO uses media, art and technology to celebrate the best of humanity shining a light on positive role models to help students of all ages understand their own potential to make a positive change in the world.

myhero.com

MY HERO is a non-profit organization. Our award-winning educational website is used by millions of teachers and students worldwide. Explore MY HERO's rich media library. Discover lesson plans filled with rich multimedia resources to enrich learning for a wide range of subjects and age groups in the MY HERO Teachers Room. Students use MY HERO's digital storytelling tools to share their hero stories, art, short films, and music with the world.
